[HUBER Cestello di grigliatura CageLift, alzabile](#)

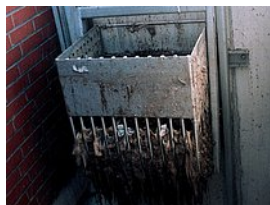

Cestello di grigliatura alzabile, in acciaio inossidabile

Versione robusta in acciaio piano inossidabile, con lamiera di fondo forata, con robusti rulli in plastica, resistenti al gelo ed alla corrosione.

- Guide and support rails for vertical movement of the basket
- The guide rails are curved towards the discharge to ensure a partly automatic discharge of screenings into the customer's skip. The residual screenings are removed manually by means of a hand rake
- Whenever the screen basket is in the retracted position, a fall screen automatically shuts off the inlet
- Drive with electric chain pull and with block an upper and lower limit
